Notes

If the ownership of this vessel changes to such an extent that consent of the chief executive under section 103(4) of the Fisheries Act 1996 is required, the operator must immediately notify the chief executive in writing and the registration of the vessel will be cancelled immediately.

If any of the details relating to the registration of this vessel change, the operator must immediately notify the chief executive in writing.

The Commission for the Conservation of Southern Bluefin Tuna (CCSBT) has established a list of fishing vessels that are authorised to fish for southern bluefin tuna. If you indicate on this form that southern bluefin tuna will be caught on this vessel, the vessel will be added to the authorised list. This list is publicly available at www.ccsbt.org.

Fishing vessels that are not on the list are deemed by CCSBT not to be authorised to fish, retain on board, transport or land southern bluefin tuna. Product from vessels that are not listed will not be able to be authorised for export as part of the southern bluefin tuna trade information scheme. As such they will not be accepted as imported product by countries co-operating with CCSWBT (most notably Japan).

Definition of Overseas Person

An "overseas person" is expressly defined in the Fisheries Act 1996 by section 7 of the Overseas Investment Act 2005. Please consider that definition when you answer the overseas person question on page two of this form. If you are uncertain about whether the applicant is an overseas person, we suggest you contact your solicitor.

Collection of Personal information

In regard to any information being collected on this form that is personal information, notification is hereby provided, in accordance with Principle 3 of the Privacy Act 1993 of the following matters:

This information is being collected for purposes relating to the management of fisheries resources in accordance with the Fisheries Act 1996.

The agency that will collect and hold the information is FishServe (Commercial Fisheries Services Limited) (P.O. Box 297, Wellington). Personal information will also be recorded on publicly available registers.

The provision of this information is mandatory under the Fisheries Act 1996.

The provision of this information is mandatory under the Fisheries (Satellite Vessel Monitoring) Regulations 1993. It is an offence under the Fisheries (Satellite Vessel Monitoring) Regulations 1993 to neglect or refuse to supply the information required, and to fail to complete and furnish any of the required information, and to make a false or misleading statement or entry of information. Penalties are set out in the Fisheries (Satellite Vessel Monitoring) Regulations 1993.

It is an offence under the Fisheries Act 1996 to neglect or refuse to supply the information required, and to fail to complete and furnish any of the required information, and to make a false or misleading statement or entry of information. Penalties are set out in the Fisheries Act 1996.

You are reminded that under Principles 6 and 7 of the Privacy Act 1993, you have the right of access to, and correction of, any personal information which has been provided.

You may apply to FishServe to prevent the display of your personal address on registers kept under the Fisheries Act 1996 where you consider that disclosure would be prejudicial to your personal safety or to the safety of your family.
